

Dear Colleagues,

Reaching New Heights, INC, a Cox Behavioral Health Group, LLC non-profit program, invites you to its first Mental Health Gala on Thursday, May 17, 2024, at 5:30 p.m. at (TBD) in Jacksonville, Florida. This "Reaching New Heights Gala" is a fund-raising event to provide sponsorship opportunities to children suffering from Adverse Childhood Experiences without financial support from their family, Medicaid, and case dependency status. This night of informative entertainment will bring together the mental health professional community as we honor five professionals who have worked extensively with children with unresolved trauma.

Reaching New Height provides evidence-based modalities to children and adolescents with adverse childhood experiences and offers parents and guardians family counseling and parenting/foster care counseling groups. We are staffed by qualified professionals with years of experience helping clients navigate various behavioral, mental health, substance use, and trauma-related issues.

We are frequently reminded of the consequences of unresolved childhood trauma disruptions in families, our schools, and violations of community rules and the law. Reaching New Heights would like to extend an invitation for financial support from the business community and mental health organizations to assist with the continued expansion of our mission to provide high-quality mental health, substance abuse, and other behavioral services to the children, adolescents, and families of Northeast Florida.

All donations and ticket purchases will facilitate reductions in major cognitive, emotional, and behavioral problems among youth and adolescents exposed to adverse childhood experiences. Ways you can help are delineated on the next page. Please join us in this worthy effort. If additional information is needed, don't hesitate to contact Dr. Cox or Janai Law Operations Coordinator, at coxbhg@yahoo.com or by calling 904-608-9881.

Respectfully,

Arthur J, Cox, Sr. DSW, LCSW
President & CEO
